### II. Course block leader:

**Professor Emmanuella Doussis**, Department of Political Science and Public Administration, National and Kapodistrian University of Athens & **Professor Eve Truilhe**, Aix Marseille Université

### III. Course block description:

The webinars on Ocean Law Governance jointly offered by the Aix Marseille Université – AMU and the National & Kapodistrian University of Athens – NKUA aim at providing an interdisciplinary insight of the legal, institutional and policy-making dimensions pertaining to contemporary ocean affairs.

The programme includes an introductory course on the legal and institutional framework of ocean governance, as well as six specialized courses on different ocean policy domains that are at the forefront of ocean management today: Maritime spatial planning; Energy at sea and marine scientific research; International Governance of Marine Living Resources; Environmental law, including response to plastic pollution; Maritime transport and port infrastructure law.

### IV. Course block schedule:

Students are expected to follow all courses in the block to qualify for the final examination.

The course block offers a total of 0 ECTS but a certificate of attendance .

The tentative programme has as follows:
